

JOIN US FOR THE SCHOOLWIDE ENRICHMENT MODEL ONLINE COURSE

Just for you — a free online course that provides an in-depth, comprehensive overview of the Schoolwide Enrichment Model (SEM). This overview provides the resources and the support that you need to implement the SEM in this new school year, whether that be in class, remotely, or a combination of both. It will help you stimulate your students' interests, provide opportunities for them to express themselves in ways they will enjoy, and allow them to achieve at high levels.

In addition, this online overview of the SEM includes resources you can share with colleagues. Please use it to help with your implementation of the SEM, either on your own as you prepare for the school year or to introduce SEM at an online staff or department meeting. The SEM online class includes seven easy-to-follow modules, and teachers who complete them earn a certificate of completion on the SEM.
